

IN THE DRAWINGS:

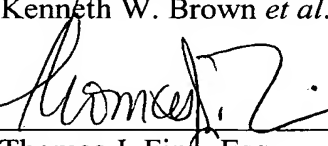

The drawings have been amended as shown in the replacement sheet enclosed herewith. Specifically, the label Fig. 8 has been applied to the figure previously labeled Fig. 8a, and the previously unlabeled Fig. 8a has been labeled as such.

REMARKS

Fig. 8 of the drawings filed May 13, 2004 was objected to as being listed in the Brief Description of the Drawings in the specification but not contained in the drawings. By this Amendment, Applicants have made certain changes in the Drawings to bring them into conformity with the Specification. No new matter has been added by these changes.

Reconsideration, allowance and passage to issue are respectfully requested.

Respectfully submitted,
Kenneth W. Brown *et al.*
